PAC Player of the Year
WDIIN All-American
WBCA All-American

Thomas More College sophomore Sydney Moss has been named the 2014 *Women's DIII News* Player of the Year.

Moss led the Saints to a 31-1 overall record and a sectional final appearance in the NCAA Tournament. She averaged 27.8 points and 8.4 rebounds per game while shooting 60.6 percent from the floor. She was named Player of the Year in the Presidents' Athletic Conference after earning Player of the Week honors eight times during the season. On the offensive end of the floor, the University of Florida transfer scored more than 30 points 10 times during the campaign, including a NCAA-record 63-point performance in late February against Waynesburg.

"In her first year in Division III, Sydney Moss made an immediate impact on the national scene," said *WDIIN* editor Gary Rubin. "She had a tremendous season and is well deserving of this honor."

Moss headlines the 2014 *WDIIN* All-American team, where she was joined on the first team by Melissa Tobie of Montclair State, Lauren Avant for Rhodes, Heather Johns from Whitman and Kyra Dayon from FDU-Florham.

WDIIN has named a Player of the Year every season since 1994.

All-Americans

All-Freshman Team
